Adverting to your letter No L 6349 dated 26-12-42 calling for a statement showing the amounts and contributions due to the several Departments by the Serirgapatam Municipal Council, I have the honour to note in the margin the amounts due by the Seringapatam Municipal Council, towards the annual maintenance charges of the water - works and the loan with the accumulated interest

1)	Loan and interest	Rs 33,005-10-3
2)	Arrears of water supply maintenance charges -- upto end of November '42	Rs 10,754-10-9
	Total	Rs 43,760-5-0

The total amount due by the Municipality is Rs 43,760-5-0 The Municipal Council has not been able to pay even one instalment towards the loan as the income is hardly sufficient to meet the normal expenditure

In this connection I wish to bring to your kind notice that the Comptroller to Government has requested to be intimated whether orders of Government have been received regarding the waiving of the consolidated loan He has stated that the amount at the credit of the Municipality will have to be adjusted as all persuasions for the repayment of the loan have proved futile Such a course of action will make the position still worse, as no funds would be available to meet the monthly establishment charges. A copy of the letter received from the Comptroller is enclosed for kind reference.
